

An Encounter with Christ

Through the Holy Spirit, Cursillo encourages us to live what is fundamental to being a Christian. Cursillo promotes the creation of small community groups, with whom we 'leaven' our environment, and live the life we are called to by Christ.

“Go out to all the world and tell the Good News!”

- Mark 16:15

Cursillo Movement

A WEEKEND TO ENCOUNTER CHRIST

“There is immense value in journeying with others deeper into the faith. If you have never considered joining Cursillo, please explore it with your priest or with another knowledgeable Catholic.”

- Bishop Earl Boyea

CURSILLO IS...

- 1 An encounter with Christ.
- 2 A weekend course in Christianity, followed up with a sustained local community to help nourish your spiritual growth for a lifetime.
- 3 A means to form, sustain and link Catholics for Christ and His Church.

About the Weekend

THE CURSILLO METHOD

starts with a “short course” called the “Three Day Weekend.” The Weekend is spiritually enlivening, as it presents the Cursillo Method to live our Christian ideal. What follows the Weekend is known as the “Fourth Day,” where the spirit of the weekend is continued every day as you live with your local community and fellow “Cursillistas.”

THE THREE DAY WEEKEND

is offered separately to men and women and is for all Catholics. You “live” only one Weekend in your lifetime. The Weekend is presented by a clergy spiritual director and a team of laypersons.

FORMAT OF THE WEEKEND

It begins on Thursday evening and ends on Sunday. Those attending live and work together, listening to talks given by clergy and laity. They share the Eucharist and pray together. The Weekend also offers optional private time for spiritual direction, and with a priest for the Sacrament of Reconciliation.

APPLICATIONS FOR THE WEEKEND ARE AVAILABLE:

- Online at <http://lansingcursillo.org/application.html>,
- By calling our Guest Services Desk at 517.669.8321
- By emailing Fr. David — drosenberg@stfrancis.ws

What is Cursillo?

CURSILLO (“kur-see-yo”)

is a “little course on Christianity.” It is a lay Catholic Movement of the Church with its own method (called the Cursillo Method) to live basic Christian ideals.

THE MESSAGE IS SIMPLE

to be Christian in the fullest sense, in the everyday activities of life – with family, in your workplace and community.

IT’S A LEARNING EXPERIENCE

not merely a retreat. The material covered is as old as Christ’s message, uniquely experienced in the spirit of community, which is the real joy of the Cursillo Weekend.
